Comments Report

5. Overall Satisfaction

^{5.4)} I especially liked about this seminar, respectively this lecturer:

- Die Veranstaltung hatte eine sehr gute Struktur, alle wichtigen Themen wurden aufbauend diskutiert.
- I really liked the fact that we were such a small group, as I think it made the discussion much better. I also really liked Susanna's teaching style: she gave us some theory on the theories and papers we discussed, but from then on we learned more through discussion and interactive teaching rather than just frontal teaching. Susanna also made us all feel comfortable to ask questions and seemed genuinely interested in teaching us and giving us input for future seminars, papers etc. I've learnt so much in the four days and really enjoyed the seminar! It was the best I have had so far.
- This was a really interesting course. The teacher was extremely competent!
- Viel Inhalt, gut übergebracht, top Abwechslung zwischen, Medien.
- Vielseitiges Wissen.
Didaktisch sehr fähig.
Gut auf Fragen einigen

^{5.5)} I did not like about this seminar, respectively this lecturer:
